Resolution #19-2

SIERRA COUNTY WATERWORKS (CALPINE) DISTRICT #1

RESOLUTION PROVIDING FOR COLLECTION OF CERTAIN SERVICE CHARGES ON COUNTY TAX BILL
PURSUANT TO SECTION 55501 OF THE CALIFORNIA WATER CODE

WHEREAS, California Water Code Section 55501 authorizes the Sierra County Waterworks (Calpine) District #1 to collect service charges rendered in the current or immediately preceding fiscal year as a part of the annual general County of Sierra tax bill, provided the District furnishes, on or before August 10, in writing to the County Board of Supervisors and the County Auditor the description of each parcel for which a charge is to be billed together with the amount of the charge applicable to each parcel;

WHEREAS, District levies and collects a service charge to fund its cost of backflow testing and maintenance service, and the current charge amount is \$15 per parcel per year.

WHEREAS, District has prepared a report of the backflow testing/maintenance service charges in the current fiscal year and the immediately preceding fiscal year charges, including a description of each parcel (by County assessor parcel number) receiving the service and the service charge amount per parcel (the Report).

NOW THEREFORE BE IT RESOLVED by the Board of Directors of the Sierra County Waterworks (Calpine) District #1 as follows:

1. Pursuant to Water Code section 55501, the District elects to have its backflow testing/maintenance service charges collected on the County property tax roll in the same manner as general County property taxes.
2. The Board determines that the final report is just and correct.
3. The final Report is hereby confirmed, and the District Secretary is authorized and directed to deliver a certified copy of this Resolution and the Report to the Sierra County Board of Supervisors and Auditor no later than August 10, 2019.
4. The Board requests the County to add the District Service charges as described and listed in the Report to the County property tax roll for collection as part of the annual County tax bill process and to remit the fee revenue to the District in accordance with the County Teeter Plan.
