

Sierra County Waterworks District No. 1
P.O. Box 25
Calpine, CA 96124

Dear Customer,

This is to make you aware of the Sierra County Waterworks District No. 1 policy regarding determination of responsibility for location and repair of leaks in the water system.

The District will respond to a suspected water leak. If the leak proves to be on the water main side of the meter (including the meter), and district provided shutoff valve, it will be the responsibility of the District to repair at their cost. If the leak proves to be on the house side of the meter, it will be the customer's responsibility for expense of the contractor as well as repair of the leak up to and including district provided customer shutoff valve.
